Service Information Sheet

Environmental Support/Advice Expert

Objective

Advising the (project) organization at a managerial level on questions and company desires related to environmental protection laws and regulations.

Description

Our employees have the necessary theoretical knowledge and practical experience in promoting and securing environmental management. This can occur on a company-wide scale at a branch or project level. In all cases, our employees are the appointed contact persons for coordinating environmental management in all its facets.

Our employees know how to develop and implement environmental policies according to the most recent standards and work methodology.

Below are some of the services provided:

- Designing/developing environment-related procedures, annual plans, annual reports, etc. as well as the evaluation, modification, and implementation thereof.
- Monitoring the legal parameters and resulting liabilities.
- Developing environment-related frameworks/standards and associated environmental policies, as well as advise on the implementation and security of the environmental policy.
- Assisting when explicitly creating/describing the current organization in relation to environmental management systems.
- Verifying processes in practice via audits for example.
- Making recommendations for the purposes of improving organization and the environmental management systems.
- Advising when there are project management questions and implementing procedures.
- Assisting with drafting of plans and reports concerning the environment and organization.
- Maintaining contact with the employer and government services.

If desired, the set of services can be customized after consultation with the client.

Approach

If you would like to engage our services, we will select a staff member who best suits your organization/project. We do this on the basis of information you provide to us, such as the necessary experience, (project) location, duration of commitment, full-time or part-time commitment, etc. Following a pre-selection, you will receive resumes from us and an open-ended offer. If desired, it is possible to arrange an interview with our workers. Upon receipt of written confirmation of the job, we will coach our workers based on your expectations, and the work in collaboration with you will commence.

Price Indication

We hire out our employees to your organization based on hourly rates. For this service, these rates range anywhere between €65,- and €110,- per hour, during normal business hours.

This rate, however, does not include:

- VAT.
- Travel and lodging costs.
- Equipment costs.

For each request, a formal quote will be provided.
